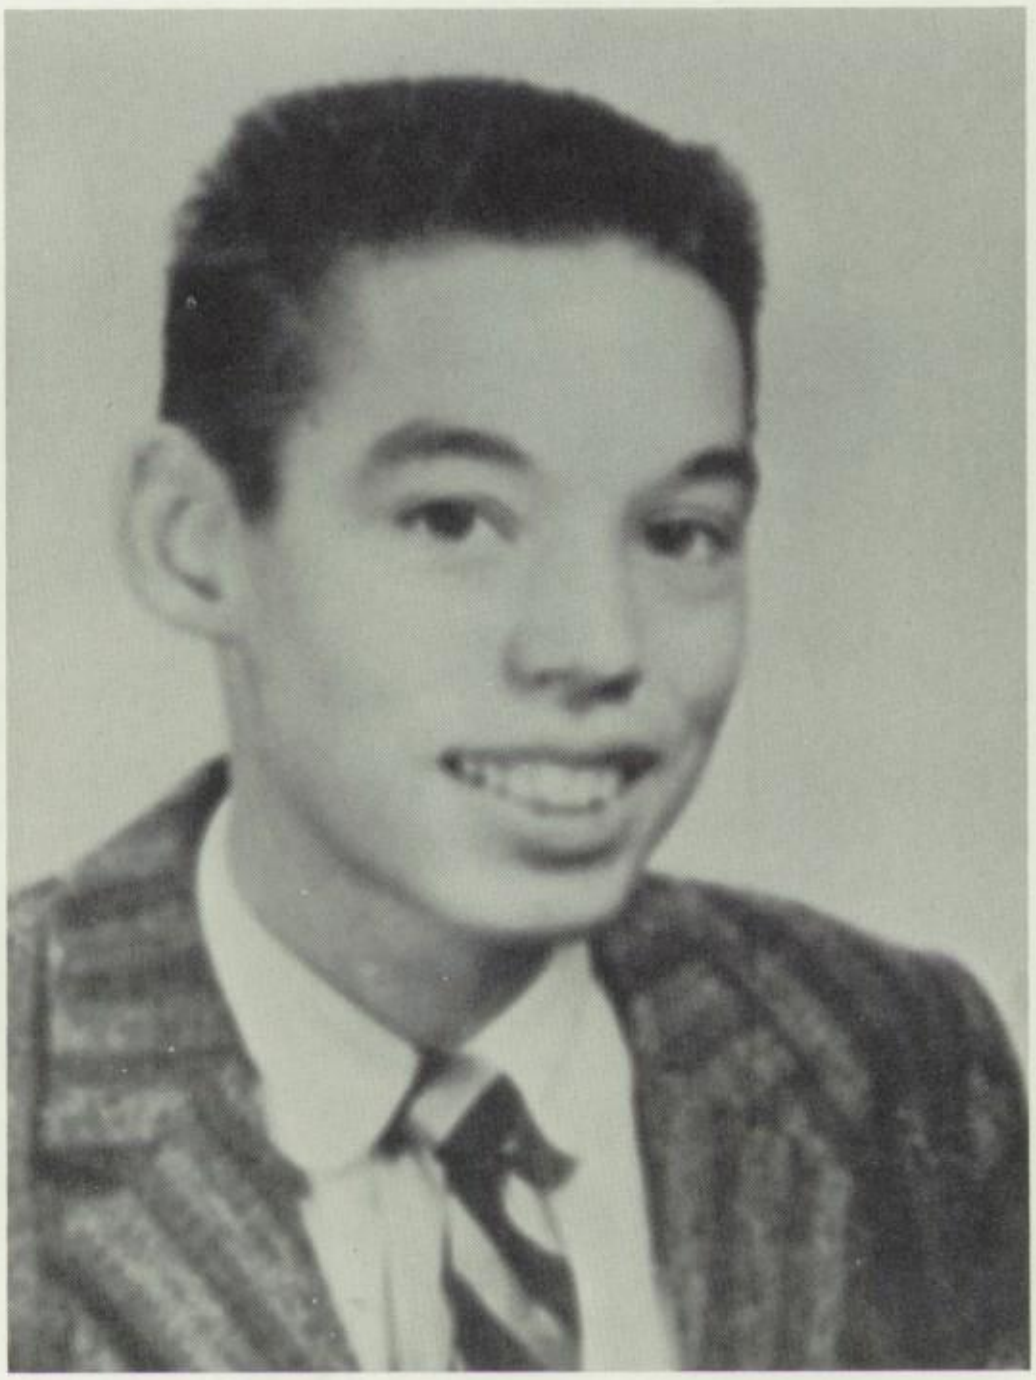
FOREWORD

Every tradition has a beginning. Our traditions began with the first class of Mount Holly High, the Class of 1896. The original Mount Holly High School was located on Brainerd Street. In 1934 a movement began to establish a regional high school. In September 1937, the present building was occupied. As the student body increased, the school building expanded. In February 1950, the Agricultural Building was completed. The Home Economics and Shop Building were added in 1954. The last additions to the main building including twenty-two classrooms, the music wing, a cafeteria, and two administration offices, were completed in 1958. The new gymnasium was also built at this time.

Our crest and Alma Mater have become an integral part of tradition in our school. This crest was designed by Oscar Snyder. It is composed of four segments each representing a different phase of school life. The lamp resting on the book represents knowledge and learning. The fasces represents government. The balance or scale symbolizes justice. The final symbol, the discus thrower, represents activities. The "Red and White," our Alma Mater, is sung at many school activities. The music was based on "The Christian Flag Hymn," written by Fanny J. Crosby and R. Huntington Woodman. The impressive words were written by Bessie M. Carter. It summarizes well, through a marriage of music and lyrics, our devotion to Rancocas Valley Regional High School.

In the years to come, long after we've forgotten the superficial things of high school, our memories of the four exciting and enlightening years we've had will be filled with our traditions. In the future we'll look fondly back on the Moorestown game or the Class Night dinner. Who will forget that Washington trip? We'll remember all the plays, concerts, and the games; but most of our memories will revolve around our traditions and the exacting competition to uphold them. We of Rancocas Valley Regional High School have a long, illustrious past. We must continue to strive to uphold and glorify the name of Rancocas Valley Regional High School.

IN MEMORIAM



We, the Class of 1961, include in the presentation of our yearbook a moment of remembering with fond thoughts Dennis Munsen, a classmate who passed away two years ago.

Dennis contributed to his school during his lifetime. He participated in various activities and sports making himself an integral part of his class. He was a good friend and a person whom we all respected and admired.

Barbara-
Stay as
sweet as You are.
The best to You always.
Mrs. D.

DEDICATION

The past four years have brought many innovations into our lives. One of the greatest single influences has been a woman who generously gave of her time, energy, and talent for our betterment with little regard for sacrifices involved. Her zest in teaching, her foresight, and her high integrity have endeared her to us all. Not only has she supported our undertakings, but she has also participated in our activities.

Realizing that ours may have been a feeble effort without her inspiration, we, the Class of 1961, in sincere gratitude, dedicate our yearbook to Mrs. Grace B. Donnelly.

ADMINISTRATION

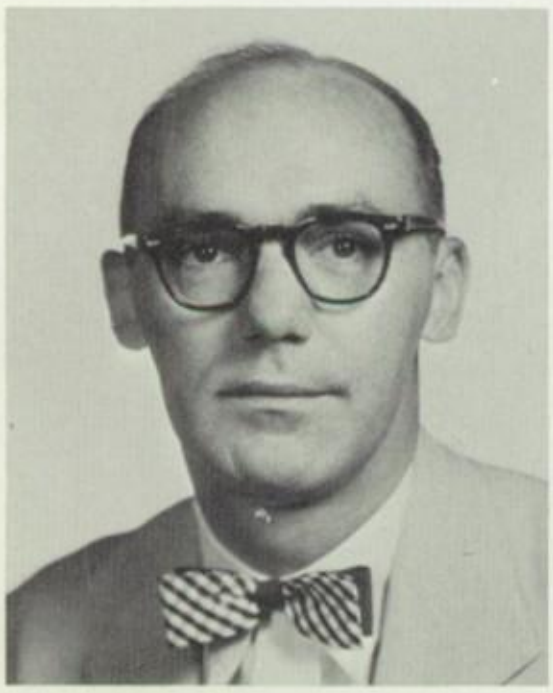
ADMINISTRATION

BOARD OF EDUCATION

Our gratitude is expressed to the members of the Board of Education, the force behind the scenes. The Board is composed of Mr. Norman R. Zelley, president; Mr. Colin F. Tait, vice president; Mr. Robert C. Shinn, secretary; Mr. Floyd G. Fryer, custodian; Mr. Charles S. Miller, Mr. Joseph A. Green, Mr. Elliot A. Hussey, Mr. Spencer M. Scheckter, Mr. Walter T. Neeld, Mr. Neal Troth.

MR. FREDERICK W. EVANS

We, the Class of '61, express our deepest appreciation to a highly respected administrator, Mr. Evans, superintendent of Rancocas Valley Regional High School. Without his competent management, friendly attitude, and genuine interest in both administration and student body our school would not function so soundly. Mr. Evans, we thank you.



MR. HARRY E. WENRICH

The members of the 1961 graduating class express our thanks to Mr. Wenrich, our principal. His faithful guidance and encouragement will better enable each one of us to be good and useful citizens in the years ahead.

MR. LEO J. CANTELOPE

We take this opportunity to sincerely thank Mr. Cantelope for his concern for us as students, as a class, and as individuals. We respect our assistant principal for executing his task so effectively.

WASHINGTON

As the seniors look back on the Washington trip we search for words to describe it.

Yes, our senior trip was fun. It seemed good to be away from home and classes for awhile; to be on our own; and be with our friends.

Our trip was a liberal education. We saw first-hand our government at work under the dome of the Capitol. We watched money and stamps engraved at the Bureau of Printing and Engraving. We saw the nations of the world gathered on "Embassy Row."

Truly our visit gave us an opportunity to see the history of our country — told in the rooms of the White House, on the grounds at Mount Vernon and in the narrow streets of Alexandria and Annapollis.

Ou. trip gave us an opportunity to see the eternal beauty of classical architecture reflected in the serenity of still water. At the National Gallery we saw the paintings of the great masters.

The Gothic grandeur of the Washington Cathedral and the classic beauty of the Franciscan Monastery were deeply moving.

Most of all our trip was memorable. Who will ever forget the inspiring beauty of the Lincoln Memorial at night or the infinite patience and valuable assistance of the senior advisors?

H. Stokes, Mr. West, Advisor, L. Emrich, C. Clatts.

THE THIRTEENTH CHAIR

On March 3 and 4 the senior class presented an exciting mystery, "The Thirteenth Chair" by Bayard Vieller. The play is the story of an attempt to solve a murder by means of a spiritualistic seance. During the seance, however, a member of the party is murdered. The rest of the play deals with the solution of both murders.

The Junior year is marked by three traditional events.

The first to occur is the purchasing of Junior rings, an event everyone long remembers.

The first weekend in December, the Junior Play is presented. This year, as in the past, the Junior play was highly successful and entertaining.

The most memorable event of the Junior year is the Junior Prom. Of all school traditions the Prom is most fondly remembered.

JUNIOR PLAY

This year the Junior Class presented "Turn Back the Clock," a comedy in three acts. It deals with one of the greatest controversies in modern times; which are worse, the children or the parents?

The clock is turned back, and a father and mother compare their youth with that of their children. Much to the parent's surprise, the two are considerably alike.

Their problems and the solutions to them are incorporated throughout the entire play. Many thanks to the Junior class and Mr. Charles West, director, for presenting a play which will long be remembered.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization comprised of those students who have attained high scholastic averages, fine character, outstanding leadership, and true service in their junior and senior years. It is the duty of each member to maintain, develop, and improve those qualifications making them better students and better citizens in our democratic society. A Junior National Honor Society is open to freshmen and sophomores.

LIBRARY CLUB

The Library Club under the capable leadership of Mrs. Cramer who is a great asset to our school.

The club consists of two groups — a junior group which is going through training for future work in the library and a senior group, who already knows the basic structures, but enlarge on their knowledge.

These girls devote all their spare time to working in the library before and after school and during their study halls. Their job is to keep the books in order and check the books.

Each year the club works on a project. This year their main interest is selling paperbound books. With the money that is raised, they will buy books to help the elementary schools start libraries. The club also collects books from students to be sent to refugees who are not able to get books of their own.

During National Library Week the club entertains other schools with a tea.

Throughout the course of a year the Library Club takes trips visiting other schools, attending a meeting at the United Nations building, and spending some time at the New York City Library, which is the largest city library.

At the conclusion of the year the seniors go on a theater trip, and the whole club goes on a picnic.

We pay tribute to the efforts of this fine club.

BANDS OF R. V. R. H. S.

The bands which adorn our school with their music give a delightful air to all. During the course of the year, the marching band, composed of the concert band and the Junior band, gives of its talent in music for such functions as football games and parades.

Concerts given in winter and spring, by the band, and high lights of the year, and proceedes are used for the betterment of the music department. The Junior band also gives a concert; it reveals the band's superb achievement during the year.

Outstanding band members each year are selected, by competitive tryouts, to play in the Regional Band or the All-State Band, the latter being a greater distinction.

Our bands are truly an asset and they provide a great deal of enjoyment for all at Rancocas Valley Regional High School.

ORCHESTRA

Orchestral music has long been a tradition at R.V.R.H.S. Our orchestra under the capable direction of Mr. Welch lends its musical renditions to many school functions. The Senior Play and the Spring Concert are two of the many programs for which the orchestra plays. Our school can well be proud of our fine orchestra.

FOOTBALL

The "Dark Horses" of the S.C.J.L. finished with a 5—1—3 record this year. This winning record was a very fine showing for such an inexperienced team.

The boys begin their informal practice early in the summer, and a week before school starts, the grueling practice begins. This continues for three short months. Day after day from three-thirty to seven the boys work so that on Saturday they are ready to put forth their best and bring home a victory.

We commend these boys on their good sportsmanship and a season of which they can be proud.

BASKETBALL

This year's squad, led by Co-Captains John Stroud and Dave Perincheif, had the potential of being the best team ever to play for R.V.R.H.S. However, coach Jack Williams didn't have the season they had expected.

The Red Devils did, however, give the county a few of the more exciting games of the year including their hard fought, one point loss to Haddonfield in the state tournament. The Devils really showed their fighting spirit when they downed the Burlington Blue Devils for the first time in years.

ALMA MATER

The Red and White, behold it
And hail it with a song,
And may it wave, triumphant
Our glorious path along.
From victory unto victory
Upon its folds we gaze
And ever stand united
Its glory to appraise.

Chorus:

Our Banner, now behold it,
And hail it with a song,
And let the voice of students
The joyful strain prolong.

LITTLE DROPS OF WATER

The first line of the old adage makes your water bills go soaring. No matter how small the leak in your pipe is, you are wasting water. Dripping spigots are another source of waste. Call a plumber or perhaps you can install a new washer yourself. Use all the water you want, but don't waste it.
